RESOLUTION NO. 17-052

EXHIBIT 1

RESOLUTION OF THE BOARD OF SUPERVISORS OF
THE COUNTY OF VENTURA
EXTENDING SALARY AND BENEFITS TO EMPLOYEES
CALLED TO COMBAT MILITARY DUTY

WHEREAS, Section 395.01 of the Military and Veterans Code provides that employees with one year or more of County service, including recognized military service, are eligible to receive their regular salary for a period not to exceed (30) days; and

WHEREAS, the loss of County salary upon which employees who are called to active military duty in combat, preparation for combat, or for the war on terrorism resulting in deployment of the employee with the Armed Forces to a foreign country, have come to rely may result in economic hardship for those individuals; and

WHEREAS, The Board of Supervisors has the authority to provide benefits in excess of those provided by the Military and Veterans Code,

NOW, THEREFORE, BE IT RESOLVED AND ORDERED, that, notwithstanding any provision of the County Administrative Manual, in recognition of the sacrifices made by these employees on behalf of the citizens of this County and the financial hardship they face as a result of the difference between their County salary and their military pay, that:

1. Effective May 21, 2017, for any regular status County employee in an unrepresented classification with at least one year of County service who is called to active military duty in combat, preparation for combat, or for the war on terrorism resulting in deployment of the employee with the Armed Forces to a foreign country, and after receiving his/her regular salary as required by law, effective on the 31st day of the aforementioned leave, and for a period of up to eleven (11) additional months of eligible deployment, the County will supplement the employee's full gross military salary to maintain the employee at the same assigned daily rate of pay as the date of deployment (excluding unscheduled or unworked overtime) and grant half-time (50%) holiday, sick, vacation and annual leave accruals; once an employee receives 11 months of this supplemental pay/50% leave accrual beyond the 30 days mandated by law (regardless of whether the 11 months is consecutive or not), the employee is no longer eligible to receive such benefits;
2. Effective the first day of the pay-period immediately after receipt of formal agreement with any recognized employee organization, the Human Resources Director shall cause the benefits detailed in #1 immediately above to be extended to eligible employees represented by that Union/Association.

Upon motion of Supervisor Long, seconded by
Supervisor Zaragoza, the foregoing resolution was passed and
adopted on this 16 day of May, 2017.
